Week 5

DESTINATION

Where should I give?

DUTY

What is the fiscal
responsibility of the church?

*"Should I give to my
local church or is it okay
to redirect my
tithes/offerings to other
ministries?"*

Three reasons to
consider giving first
to your local church.

1) Tithing pattern in Old and New Testament

Old Testament Pattern

The tithe “first tenth”
went to God’s
institution, the temple.

Numbers 18:21

New Testament Pattern

“Firsts” go to God’s
new institution, the
local church.

Acts 4:32-37

2) The Church is God's "Plan A"

Matthew 16:18

*And I tell you that you are Peter, and on this rock **I will build my church**, and the gates of Hades will not overcome it.*

Ephesians 3:10-11

*So that through **the church** the manifold wisdom of God might now be made known to the rulers and authorities in the heavenly places. This was according to the **eternal purpose** that he has realized in Christ Jesus our Lord.*

*The hope of the world is not
government, academia,
business, but **the church**
because it is to the church
that God has entrusted the
message of salvation, which
truly changes people's lives
and hearts.*
