Please read and understand the following important guidelines.

- The role of a teen helper is to primarily assist the lead teacher with activities and interaction with the children as directed. Teen helpers serve as role models to our younger children.
- If a teen helper cannot be present, he/she is expected to make an attempt to locate a substitute and call the lead teacher, _____ or the Director of Children's Ministries.
- Since teen helpers should be interacting with the children, socializing with other teens should be limited.
- Teen helpers assigned to the nursery and preschool classrooms may only change classrooms if asked to by the Director of _____ Children's Ministries or the age-level coordinators.
- Teen helpers are to report for service only on their assigned months of service unless requested to be a substitute or by the _____ Director of Children's Ministries.

I have read the guidelines above, and if assigned as a teen helper, I will faithfully fulfill my commitment.
