SERVING MOPS

MOMSnext moms are encouraged to serve MOPS (Mothers of Preschoolers) moms during MOPS morning meetings. The MOPS childcare program is called MOPPETS. Caring volunteers in our MOPPETS program provide activities that contribute to children's physical and creative development and spiritual enrichment. Each month a new theme will be used with emphasis on showing children God's love. Volunteers can serve in the same classroom with other MOMSnext moms from 8:45 – 11:15 am on the first Thursday of the month from September – May.
