"May your roots go down deep into the soil of God's marvelous love." – Ephesians 3:17

Dear Parent,

Thank you for choosing Brandywine Valley Christian Preschool for your child's preschool experience. We look forward to providing a safe, nurturing and faith-based preschool experience. Please complete and return the enclosed registration forms as soon as possible to ensure your child's placement for next school.

HOW TO REGISTER:

- 1.) Fill out the enrollment form.
- 2.) Return the form with your \$75 application fee (per student). Forms can be mailed or turned in at the preschool office.

Registration is accepted on a first come, first served basis and registration forms will only be processed once the application fees are received.

Registration for 2020/2021 school year opens to the public (new students) on January 10th.

An informal open house will be held in late August or early September to give your child an opportunity to see their classroom and meet their teachers prior to the start of school. You will receive more details concerning this within registration packets which will be mailed in June. These packets will also include forms that will need to be completed and returned prior to the start of school. Children will not be able to start school until all required forms, including a current health appraisal, are on file.

If you have any questions about registration or our preschool program, please do not hesitate to contact us.

We look forward to seeing you next school year!

Sincerely,

Kerri Wodzinski, BVCP Director
