

Passages from the New International reader's Version (NIRV)

You people who don't want to work, think about the ant! Consider its ways and be wise! It has no commander. It has no leader or ruler. But it stores up its food in summer. It gathers its food at harvest time. You lazy people, how long will you lie there? When will you get up from your sleep? You might sleep a little or take a little nap. You might even fold your hands and rest. Then you would be poor, as if someone had robbed you. You would have little, as if someone had stolen from you. *Proverbs 6:6-11*

The LORD directs a person's steps. So how can anyone understand their own way? *Proverbs 20:24*

Hands that don't want to work make you poor. But hands that work hard bring wealth to you. *Proverbs 10:4*

Money gained in the wrong way disappears. But money gathered little by little grows. *Proverbs 13:11*

A fortune made by people who tell lies amounts to nothing and leads to death. *Proverbs 21:6*

You might treat poor people badly or give gifts to rich people. Trying to get rich in these ways will instead make you poor. *Proverbs 22:16*

Don't take advantage of poor people just because they are poor. Don't treat badly those who are in need by taking them to court. The LORD will stand up for them in court. He will require the lives of people who have taken the lives of those in need. *Proverbs 22:22-23*

It is a sin to hate your neighbor. But blessed is the person who is kind to those in need. *Proverbs 14:21*

Anyone who crushes poor people makes fun of their Maker. But anyone who is kind to those in need honors God. *Proverbs 14:31*
