

Passages from the New International reader's Version (NIRV)

The wealth of rich people is like a city that makes them feel safe. But having nothing destroys those who are poor. *Proverbs 10:15*

Wealth brings many friends. But even the closest friend of a poor person abandons them. *Proverbs 19:4*

Honor the LORD with your wealth. Give him the first share of all your crops. Then your storerooms will be so full they can't hold everything. Your huge jars will spill over with fresh wine. *Proverbs 3:9-10*

Those who give freely will be blessed. That's because they share their food with those who are poor. *Proverbs 22:9*

Hopes placed in human beings will die with them. Everything their power promised comes to nothing. ... Those who trust in their riches will fall. But those who do right will be as healthy as a green leaf. *Proverbs 11:7, 28*

A person's riches might save their life. But a poor person is not able to do anything about danger. *Proverbs 13:8*

Choose my teaching instead of silver. Choose knowledge rather than fine gold. Wisdom is worth more than rubies. Nothing you want can compare with her. *Proverbs 8:10-11*

With me are riches and honor. With me are lasting wealth and success. My fruit is better than fine gold. My gifts are better than the finest silver. *Proverbs 8:18-19*

By wisdom a house is built. Through understanding it is made secure. Through knowledge its rooms are filled with priceless and beautiful things. *Proverbs 24:3-4*

It is better to be poor and live without blame than to be rich and follow a crooked path. *Proverbs 28:6*
