

Hebrews 5:13-6:1 New International reader's Version (NIRV)

¹³ Anyone who lives on milk is still a baby. That person does not want to learn about living a godly life. ¹⁴ Solid food is for those who are grown up. They have trained themselves to tell the difference between good and evil. That shows they have grown up.

¹ So let us move beyond the simple teachings about Christ. Let us grow up as believers. Let us not start all over again with the basic teachings. They taught us that we need to turn away from doing things that lead to death. They taught us that we must have faith in God.
