STUDENT CONFERENCE

The **RENEW Student Conference** is a two-day event designed for students in middle school through high school! The conference features strong teaching, powerful worship, breakout sessions and discussion prompts for students and leaders. With prizes, an amazing concert on Friday night, and students from around the region, it's an event you won't want to miss!

The theme for Renew 2023 is **This is Your Year!** Students will be challenged to grab on to God's vision for their future, to go all in, and discover the importance of the body of believers in pursuing God!

Friday night will feature a concert from **Ripe Creatives!** The concert will feature performances by DJ Ant G, Rick Harmony, Aable, and Scott Smith. Ripe Creatives seeks to spread the good news of the gospel through creative expression and the worship arts. Learn more about Ripe Creatives at www.ripecreatives.com

Jessica Long's life has been nothing short of amazing. Born to a teenage mother in the Siberia cold, burdened by congenital defects in her legs, and placed for adoption at 13 months old, Jessica was able to persevere to become one of the most decorated female athletes in American history. However, it was not without setbacks. At just 18 months old, Jessica's legs were amputated below the knee due to a rare bone disorder called fibular hemimelia, but her adopted family would not let her physical differences limit her potential. Her work focuses on winning in the water and inspiring others outside the pool. It's through her struggles that she has learned to grow and thrive as a champion and person, and her message of hope resonates with all walks of life.
