Overcoming Negative Influences

Nate Keeler

1 Samuel 17:4-14 New International reader's Version (NIRV)

<sup>4</sup> A mighty hero named Goliath came out of the Philistine camp. He was from Gath. He was more than nine feet tall.

<sup>5</sup> He had a bronze helmet on his head. He wore bronze armor that weighed 125 pounds. <sup>6</sup> On his legs he wore bronze guards. He carried a bronze javelin on his back. <sup>7</sup> His spear was as big as a weaver's rod. Its iron point weighed 15 pounds. The man who carried his shield walked along in front of him.

<sup>8</sup> Goliath stood there and shouted to the soldiers of Israel. He said, "Why do you come out and line up for battle? I'm a Philistine. You are servants of Saul. Choose one of your men. Have him come down and face me. <sup>9</sup> If he's able to fight and kill me, we'll become your slaves. But if I win and kill him, you will become our slaves and serve us." <sup>10</sup> Goliath continued, "This day I dare the soldiers of Israel to send a man down to fight against me." <sup>11</sup> Saul and the whole army of Israel heard what the Philistine said. They were terrified.

<sup>12</sup> David was the son of an Ephrathite whose name was Jesse. Jesse was from Bethlehem in Judah and had eight sons. When Saul was king, Jesse was already very old. <sup>13</sup> Jesse's three oldest sons had followed Saul into battle. The oldest son was Eliab. The second was Abinadab. The third was Shammah. <sup>14</sup> David was the youngest. The three oldest sons followed Saul. <sup>15</sup> But David went back and forth from Saul's camp to Bethlehem. He went to Bethlehem to take care of his father's sheep.
