Friends,

Experiencing the lands of Paul's missionary journeys is unlike any trip you will ever take. From the moment you set foot in Greece and Turkey, you step into the pages of the New Testament.

Suddenly, Paul's letters and the early church's story come to life as you explore ancient cities where the gospel first spread. Imagine standing atop Mars Hill in Athens, where Paul preached to the philosophers, or walking the streets of Corinth, where he ministered and wrote to the early believers. You will visit the stunning city of Ephesus in Turkey, where Paul spent years teaching and where the early church flourished. You'll see Philippi, where Paul and Silas were imprisoned yet sang songs of praise. You will never read your Bible the same way again!

This journey will deepen your understanding of Scripture and strengthen your faith as you witness firsthand how God used Paul to spread the gospel across the Roman world. More than a trip, this is an opportunity for spiritual renewal and a deeper connection with the mission of Jesus Christ, the same mission we join today.

We would love for you to join us on this incredible journey through the Footsteps of Paul. Won't you consider making this investment in your spiritual life and experiencing the Bible like never before?
